

Write each numeral in words.

1) 21,608,170,240

2) 100,510,303,075

3) 901,884,550,200

4) 762,100,352,550

5) 801,502,002,889

6) 6,859,068,075

7) 5,021,151,271

8) 5,827,005,800

9) 33,000,182,504

10) 27,045,045,107

11) 20,010,978,790

12) 901,076,604,242

13) 19,562,034,050

14) 906,020,123,028

15) 837,005,410,554

16) 616,997,649,090

17) 7,415,431,313

18) 5,009,488,480

19) 3,273,209,055

20) 4,261,662,124

21) 26,246,228,799

22) 10,379,051,412

23) 13,784,465,496

24) 900,644,659,037

25) 894,870,814,340

26) 883,220,073,534

27) 770,060,007,508

28) 5,751,110,245

29) 5,703,009,405

30) 4,600,889,090

Write each numeral in words.

1) 21,608,170,240

twenty-one billion, six hundred eight million,
one hundred seventy thousand, two hundred
forty

2) 100,510,303,075

one hundred billion, five hundred ten
million, three hundred three thousand,
seventy-five

3) 901,884,550,200

nine hundred one billion, eight hundred
eighty-four million, five hundred fifty
thousand, two hundred

4) 762,100,352,550

seven hundred sixty-two billion, one hundred
million, three hundred fifty-two thousand,
five hundred fifty

5) 801,502,002,889

eight hundred one billion, five hundred two
million, two thousand, eight hundred
eighty-nine

6) 6,859,068,075

six billion, eight hundred fifty-nine million,
sixty-eight thousand, seventy-five

7) 5,021,151,271

five billion, twenty-one million, one hundred
fifty-one thousand, two hundred seventy-one

8) 5,827,005,800

five billion, eight hundred twenty-seven
million, five thousand, eight hundred

9) 33,000,182,504

thirty-three billion, one hundred eighty-two
thousand, five hundred four

10) 27,045,045,107

twenty-seven billion, forty-five million,
forty-five thousand, one hundred seven

11) 20,010,978,790

twenty billion, ten million, nine hundred seventy-eight thousand, seven hundred ninety

12) 901,076,604,242

nine hundred one billion, seventy-six million, six hundred four thousand, two hundred forty-two

13) 19,562,034,050

nineteen billion, five hundred sixty-two million, thirty-four thousand, fifty

14) 906,020,123,028

nine hundred six billion, twenty million, one hundred twenty-three thousand, twenty-eight

15) 837,005,410,554

eight hundred thirty-seven billion, five million, four hundred ten thousand, five hundred fifty-four

16) 616,997,649,090

six hundred sixteen billion, nine hundred ninety-seven million, six hundred forty-nine thousand, ninety

17) 7,415,431,313

seven billion, four hundred fifteen million, four hundred thirty-one thousand, three hundred thirteen

18) 5,009,488,480

five billion, nine million, four hundred eighty-eight thousand, four hundred eighty

19) 3,273,209,055

three billion, two hundred seventy-three million, two hundred nine thousand, fifty-five

20) 4,261,662,124

four billion, two hundred sixty-one million, six hundred sixty-two thousand, one hundred twenty-four

21) 26,246,228,799

twenty-six billion, two hundred forty-six million, two hundred twenty-eight thousand, seven hundred ninety-nine

22) 10,379,051,412

ten billion, three hundred seventy-nine million, fifty-one thousand, four hundred twelve

23) 13,784,465,496

thirteen billion, seven hundred eighty-four million, four hundred sixty-five thousand, four hundred ninety-six

24) 900,644,659,037

nine hundred billion, six hundred forty-four million, six hundred fifty-nine thousand, thirty-seven

25) 894,870,814,340

eight hundred ninety-four billion, eight hundred seventy million, eight hundred fourteen thousand, three hundred forty

26) 883,220,073,534

eight hundred eighty-three billion, two hundred twenty million, seventy-three thousand, five hundred thirty-four

27) 770,060,007,508

seven hundred seventy billion, sixty million, seven thousand, five hundred eight

28) 5,751,110,245

five billion, seven hundred fifty-one million, one hundred ten thousand, two hundred forty-five

29) 5,703,009,405

five billion, seven hundred three million, nine thousand, four hundred five

30) 4,600,889,090

four billion, six hundred million, eight hundred eighty-nine thousand, ninety
